Ship's Status: Active

Ship's Mission: The Inconnu Expanse

Mission Summary

The Lakota's Joint Mission with the USS Freedom has finished with a spectacular escape from the Inconnu Expanse: a vast uncharted anomaly which appeared recently without discernable cause. We now begin the Christmas season with a Christmas Party subplot where the joint crews of both ships are free to interact.

Website Changes

Completed a modification to phpBB3 to allow it to differentiate a joint post from a post and update crew activities on the SMS based upon this. Made some website updates and routine admin changes. Started designing new signature banners and improved the awards page on the SMS.
